

Creating a *Quiet Time* Basket

Why should you invest in creating a "Quiet Time" basket for your young children?

Teaching our young kids about Jesus, in the comfort of our homes, surrounded by love, could be some of the best Christian parenting we will ever do! It's amazing how God created our young ones to be little sponges. With their active imaginations, it's no wonder "childlike faith" is a coined term! Intentionally investing in your kids during this time could change the trajectory of their lives! Take 5-15 minutes per day to dig into this basket together. You child will enjoy time spent with you, and the nuggets of truth that they receive will be worth it!

What To Include In Your Basket

Children's Bible
Fun coloring crayons/colored pencils
Coloring books
Bible story picture books
Missionary stories for kids
Play-doh/kinetic sand
Snacks (only to be eaten during this time!)

He called a little child to him, and placed the child among them. And he said: "Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven.
Matthew 18:2-3 (NIV)
