

A GRANDMOTHER'S Prayer

*“Prayers are deathless.
They outlive the lives of those who utter them.”*

~ E.M. Bounds

**HERE ARE A FEW PRAYERS YOU CAN PRAY
FOR YOUR CHILDREN AND YOUR DESCENDANTS.**

“Lord, write Your Name on my child’s heart. Set them apart for Your service. Let them come to know You as a young child and stick by that commitment. Let them grow up to do great things in Your Name. Protect them from evil people, evil things, illness, accidents, and injury. Keep all evil from them. Make them movers and shakers in the Kingdom of God. Give them a godly spouse and let them raise up godly children. Fill them with a double portion of Your Holy Spirit.”

“Lord, let my children be godly, responsible, respectful, fully obedient, totally dedicated to you, hunger for the truth, and discerning about friends.”

“Lord, see in them what I cannot see. Lord, bring to light what I do not know. Lord, whisper to them what I have forgotten. Lord, warn them of what I have omitted. Lord, be for them what I cannot be. Lord, love them, for you are all they need.”
