

How does Jesus say we should
 LOVE? 

FOR
KIDS!

TEACH YOUR KIDS ABOUT HOW GOD WANTS US TO LOVE EACH OTHER!

God is so good to us to give us a blueprint of
LOVE to follow as we seek to love our family
and those in our circle well.

1 Corinthians 13:4-7 maps it out for us perfectly.

FOR THIS ACTIVITY:

1. Cut out the large heart and small hearts on the next page.
2. As you read 1 Corinthians 13:4-7, tell the kids to find the small hearts with the words they hear in the verses and place them in the large heart.
(Feel free to glue them on as well for a decoration for your home!)
3. Talk to the kids about each phrase in the small hearts. Explain that this is how God wants us to love others.
4. Pray to end your time and ask God to help each of you love in the way His Scripture tells us!
